Our Promises to the Children at Littlemoor

WIDER CURRICULUM

To all our pupils,

Every day at Littlemoor Primary School, the staff and governors are working to make sure that by the time you leave us, our wider curriculum will ensure:

- You will love learning new things, feel ready for the future and want to keep on learning more;
- You will know what it feels like to be good at something and have achieved your very best;
- You will understand just how incredible you are, believe in yourself and have the confidence and resilience to follow your dreams;
- You will have grown healthy and strong and understand how to look after your body and mind;
- You will have known friendship and learned how to get along with other people;
- You will feel part of your community and proud of your school and inspired to make a difference.

Here are just some examples of how this will be achieved:

- You will learn a different language;
- You will spend more time learning about the outdoors through forest school, orienteering, more sports and using the local area;
- You will visit different places such as parks, museums, galleries and Zoos.
- You will use technology to showcase your learning - filming, blogs, twitter and websites;
- You will have more Science activities through STEM and new equipment;
- You will learn how to play an instrument;
- You will learn about key historical events in the local area and beyond.
- You will develop artistic skills and learn about famous artists.
