

CYCLE A Science

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Years 1 and 2	<u>Animals and Humans</u> Why is it good to be me? Biology	<u>Living things and their habitats</u> Why would a dinosaur not make a good pet? Biology	<u>Use of everyday materials</u> Why is that made of that? Chemistry	<u>Plants</u> Which plants would you find in Alexandra Park? Biology	<u>Animals and Humans</u> How will 5 a day make me healthy? Biology	<u>Light</u> Can you light it up? Physics
Years 3 and 4	<u>Animals and Humans</u> What happens to the food we eat? Biology	<u>Living things and their Habitats</u> Which animals thrive in and around Littlemoor? <i>Links with biomes in geography</i> Biology	<u>States of Matter</u> Solid, liquid or Gas? Chemistry <i>Links with rivers and water cycle in geography</i>	<u>Plants</u> How did that blossom become an apple? Biology	<u>Electricity</u> How could you cope without electricity for a day? Physics	<u>Sound</u> Did you hear that? Physics
Years 5 and 6	<u>Animals and Humans</u> What would a journey through your body look like? Biology	<u>Living things and their Habitats</u> Do all animals and plants start life as an egg? Biology	<u>Evolution and Inheritance</u> Have we always looked like this? <i>Links with biomes in geography</i> Biology		<u>Light</u> How can you light up your life? Physics	<u>Electricity</u> Could you be the next Nintendo apprentice? Physics
